

## THE ANNUAL BEACH GLAMOUR WORKSHOP

Some thoughts on the 2022 Beach Glamour Workshop Weekend June 10th thru the 12th, check in Friday June 10th and check out Sunday, June 12th, 2022.

**Accommodation option:** Our first choice (Penthouse) is no longer available, this is why we should move quickly if we want to avoid the \$300-\$390/night with a three night minimum stay hotel costs.

**In the Penthouse example:** Each lead person wanting a bedroom or common area for "two nights" the cost is: \$758.19 (\$379.09 a night.) And remember that "lead person" can share the bedroom or common space with others to split costs!!!! :)

### **So the normal Hotel option:**

Cost at the Carousel Hotel where we have stayed before I checked their web site and [Hotels.com](https://www.hotels.com) and today they are \$269/per night with a minimum three night stay for a **total of \$807** before taxes and fees.

### **Places to shoot:**

- 1) Fenwick Island as before at Sunset. Two location, ocean side and bayside.
- 2) Night time at the boardwalk beach down by the inlet for that carnival background feeling with equipment. And on the boardwalk with on camera speedlights. People can be a pain, so if shooting on the boardwalk watch your stuff more so travel light.
- 3) Shooting at Assateague State park in the dunes. Four wheel drive vehicles only, shoot and cook out. (Jeff has a Jeep, he is going. See what that looks like here, [click](#). One day I went scouting that area, camping)
- 4) And of course shooting in the Penthouse itself. (Folks that are staying at the Penthouse and their models or photographers only. Seriously.)

### **Securing your spot at the Airbnb:**

No matter what Airbnb or Vrbo we pick and or is available, 50% is due to reserve it. And then the full balance is charged on May 26th, 2022 (date may change depending on final election) on the same CC in the account profile who books it.

If folks are interested in doing the AirBNB stay with us then LET US KNOW ASAP! We have setup a ZOOM call to discuss the details and hear the Q&A.

Deposits are due in to secure the place ***no later than Friday, April 16th, 2022***. The sooner the deposits come in the better the AirBNB selections will be, as things fill up fast. I suggest you write a check and mail it to the studio, that way if we do not have enough people we rip up the check and grab our own accommodations. (If we don't get our first choice Airbnb and we get something less your additional funds will be returned to you and your group before the trip.)

Your final payment must be in by Friday, May 20th. (CC or CashApp, etc. no checks.)

**Ps.** We do have a ZOOM call scheduled to discuss accommodation options. Let us know if you want to be added to that call?

Thank you!
